

Presents:

Agile Leadership

Today's rapid changing environment require leadership with an **"Agility Mindset"** of a fighter jet pilot. You need to be highly focus to your mission, at the same time adaptable to changes, comfortable with stress and ambiguities, like the pilots navigating their fighter jets into the enemy air space.

Agile Leadership will change the way you see yourself, your strengths, your priorities, and your long-term goals to help you to realize your career aspirations, and advance your organization's goals, by promoting positive mental activities which lead to positive **VALUES in ACTION**.

How will this program BENEFIT you?

- Be mindful about the stressors in your life, expanding positive stressors while reducing the negative one;
- Develop mental capabilities that promotes Agility, Positive Value in Action for your work and family.

Date : 11-12 Oct 2018, Thurs-Fri
